# Booking Your Event

## Step 1: Tournament Contract

- Tournament Contact
- Number of Players
- Format
- Start Time
- Date
- Any other important details

## Step 2: Non-Refundable Deposit

- Due within 7 Days of Signed Contract
- 10% of Estimated Event Total
- Applied to Final Balance
- Required to Reserve your Date

## Step 3: Final Count Guarantee

CCC requires that the Tournament Contact confirm the actual number of players in the tournament and actual number of meals, ten (10) days prior to the tournament date.

This policy allows CCC the opportunity to sell unused tee times to the general public or another outing. If the Tournament Contact fails to notify us of the confirmation number ten (10) days prior to the Tournament Date, the number of players identified as “Number of Players” on the face of this agreement will be deemed the final count.

The Tournament Contact will be required to pay for all tee times reserved based upon the final count regardless if they are filled with outing participants or not.

## Tournament Timeline

30-45 Days Prior: Meet with CCC to discuss details

10 Days Prior: Guaranteed Player & Meal Count Due

3 Days Prior: Event Pairings Due

Day of Event: Sit back, relax and enjoy!

## Confirmation & Booking

The number of players listed on the contract is the number of players that has been approved for the event. We consider a date booked when we have a signed contract and a deposit for the event.

If it becomes necessary to make a change of more than 10% in terms of guaranteed number of players, or a group would drop below a required number of players for a shotgun minimum, the contract would have to be re-submitted.

# Additional Details

## Rainouts

The Columbia Country Club Superintendent will try and make a decision regarding golf course playability, & delays at least 2 hours before your event. Conditions will be monitored throughout the day and any updates will be communicated to the Tournament Contact.

In the event the Superintendent closes the Golf Course for any reason, an attempt to reschedule the event will be the first course of action.

9+ Holes Completed: 100% of Green Fees and Cart Fees Charged

Please note that the golf courses will never be closed based on the “weather forecast” alone. Should the Tournament Contact elect to cancel an event for any reason while the facility is open and course conditions are deemed playable, all contracted fees, charges and guarantees will apply.

## Signage

Columbia Country Club will distribute hole signs on the golf course for the event IF previously arranged with the Tournament Director. All signage should be removed from the property at the conclusion of the event. Columbia Country Club accepts no responsibility for signage left at the property.
